PROCEDURES AND FREQUENTLY ASKED QUESTIONS ABOUT THE KATE'S MARQUEE CLUB

As of March 2026

The Marquee Club is a hospitality space that is available for use by sponsors and for other special events and is also a multi-purpose room that is often used for meetings, as a classroom, and extra dressing rooms. When the room is not otherwise in use, the Kate may open it for pre-show gatherings for Members at the Best Supporting Actor level and above and Business Members to enjoy a complimentary beverage (beer, wine, soft drinks), snacks and private restrooms.

How will I know when I have been invited to the Marquee Club? You will receive an email invitation from Ruth.Yakaitis@thekate.org two days prior to the event for which you have tickets. As it is a small space, the Kate rotates invitations so that all Business Members and Members at the Best Supporting Actor level and above will receive an invite at least twice a year.

May I bring guests/friends who are not Members to the Marquee Club? Thank you for introducing friends to the Kate! For members at the Best Leading Actor level and above, we will try to accommodate these requests based on number of guests on the night in question and ask that you email Ruth.Yakaitis@thekate.org at least one day in advance with your request. Please note that Marquee Club invitations are **non-transferrable**.

Is the Marquee Club open for *every* performance? The Club is only open when not in use for other purposes and staffing is available.

Can I just stop in if I see other people in the Marquee Club? If you have not received an email invitation prior to the show, it's likely that the Club is being used for a private event. Our greeter will be able to confirm this and we ask for your cooperation if it is in fact being used for a private event.

How many people can comfortably fit in the Marquee Club? The room can accommodate approximately 20 guests; there is seating for 14.

Is the Marquee Club handicap accessible? Yes, the Club is located on the first floor of the Kate, adjacent to the Katharine Hepburn Museum.

Can I order a mixed drink in the Marquee Club? No, at this time we only offer beer, wine and soft drinks. You may purchase a mixed drink at the Kate bar and bring it into the Club.

Can I reserve the Marquee Club for a private event? Members at the **Best Leading Actor** level and above may request to use the Marquee Club for a private event. Requests will be granted based upon availability and additional costs for beverages and/or food will apply.

Can children or youth attend the Marquee Club? When accompanied by a parent or guardian, children and youth under age 21 may attend events in the Club.

May I stay in the Marquee Club after the show has begun? The Marquee Club is closed while a performance is underway in the theater. If that particular show has an intermission, the Club will open for intermission.
